Bible Reading Plans Introduction:

Having a plan is the first step toward reading the Bible consistently. This resource is intended to help you grow spiritually as you read the Bible. As you go along, consider keeping track of passages or verses that speak to you on the last pages of this booklet.

Not only do you need a plan for reading, but it helps to have a plan for time and a location. When and where you do your Bible reading will have a significant impact on your ability to be consistent.

Lastly, accountability is a great tool to use in Bible reading. Invite a trusted friend to check in with you, or even better; you check in with your trusted friend weekly, or monthly to let them know you're on track. If you're struggling, you can "troubleshoot" the issues together. Accountability can be a conversation, a text, email, or instant message. Whatever works for you is the best!

"May you never be the same as a result of what God has said to you!" Don't forget to pray as you read the Bible. Ask God to speak to you, and do your best to listen to what the Bible is actually saying.

God bless, and let the adventure begin!

Pastor Kevin

Start Here! If you have never read the whole Bible before.

If you have never read the Bible begin with an overview to familiarize yourself with the big picture. This will help you not get lost in the details, or overwhelmed in some of the longer sections.

My favorite new tool for people who have never read through the Bible before is the Bible Project app or website. They combine Bible reading with video so that you can absorb large ideas in a short amount of time to gain an overall understanding of the Bible.
